Dear Holly Dutton,

**Appeal by Spitfire Bespoke Homes Limited [Ref: APP/D3125/W/17/3181864] against the decision of West Oxfordshire District Council [WODC Application Ref: 17/00965/FUL] to refuse planning permission for a proposal to erect 46 dwelling houses together with access, landscaping and associated infrastructure on land east of Lancott Lane and south of Abingdon Road between Brighthampton and Standlake, in Oxfordshire**

When the planning application that is now the subject of the above referenced appeal was first being considered by West Oxfordshire District Council I/we\* submitted a representation(s)\* that detailed my/our\* strong objections to the housing developer's speculative and unwelcome proposals for this site. A copy of my/our\* objection was appended to the Local Planning Authority Appeal Questionnaire response, at Part 2 of their three part submission.

I/We\* wish to make it known that the objections raised then are still maintained by me/us\* and I/we\* are fully supportive of the case being argued at the forthcoming Public Inquiry by the District Council, Standlake Parish Council and by the residents campaign group SOS – 'Standlake Objects to Spitfire'.

I/We\* sincerely hope that based upon all the evidence submitted and for all the reasons outlined by the two Council's and by SOS that the Inspectorate will eventually determine to dismiss this appeal and refuse to grant planning permission.

Yours sincerely,
