

STANDLAKE BRIDGE CLUB

We are a small friendly club and new members will receive a warm welcome.

Meetings are held on the second and last Fridays of the month in Standlake Village Hall. Play starts promptly at 7.15pm but it is appreciated if participants arrive at 7pm to help set up the tables. Play finishes at 10pm.

The type of bridge we play is Chicago.

There is no annual subscription but table money is £2 per person per session. This includes tea, coffee and biscuits and usually the chance to win a small prize.

If you don't have a partner and would like to play please get in touch as we can sometimes find partners. Also if you have played in the past but feel too rusty to join the club we can arrange private brush-up sessions to give you confidence.

We do like to know by the Wednesday if you are coming on the Friday.
