

## Ever thought about volunteering for a leading UK charity and helping your local community?

1<sup>st</sup> Standlake Brownies need adult volunteers to help run our local group which covers Standlake and surrounding villages.

As a volunteer you would be working with young girls from 7 to 10yrs of age helping them to build confidence, have adventures, learn new skills, and have fun.

By providing a safe and secure environment you will be making a difference to the lives of girls in your local community.

You will be supported by a national network of Girlguiding members offering mentoring and training to help you share and expand your own skills and experiences.

If you are interested have a look at the Girlguiding website, [girlguiding.org.uk](http://girlguiding.org.uk), to find out more about the organisation and if you would like to volunteer you can register your interest at [girlguiding.org.uk/get-involved](http://girlguiding.org.uk/get-involved).

To contact your local Brownie group please email us on [standlakebrownies@gmail.com](mailto:standlakebrownies@gmail.com) and we will be more than happy to give you more details.

**Your decision to volunteer could make a huge difference to our local community.**
